

Name:

## Project: Food Group Booklet

Grade 4 Health, Art and LA

Make a Food Group booklet with 4 pages and one cover page (total 5 pages). Assign one page for each food group, for example, your booklet must contain 1 page for grain food products.

Each page must contain one full paragraph about that food group (i.e importance, servings, examples of the food group) and pictures of the examples. Get help from the class site, health folder, Canada food guide and Health Help binder.

### Rubric:

Health:

Outcomes	Exceeds Expectations 4	Meets Expectations 2-3	Below Expectations 1
I can show 4 food groups and examples.			
I can show the servings for each food group.
