

Kindness Challenger

A 3x3 grid with dashed borders and a central 3x3 grid of squares. Each square is divided into two triangles by a diagonal line from the top-left to the bottom-right. Eight of these triangles are shaded grey, while the top-right triangle of the bottom-right square is white. The grid contains the following elements:

- Top-left square:  and the word "above" in cursive.
- Top-middle square: Number "1" in the top triangle.
- Top-right square: Number "2" in the top triangle and the words "all else" in cursive.
- Middle-left square: Number "8" in the left triangle.
- Middle-middle square: Shaded triangle.
- Middle-right square: Shaded triangle and Number "3" in the right triangle.
- Bottom-left square: Shaded triangle and Number "7" in the left triangle.
- Bottom-middle square: Shaded triangle.
- Bottom-right square: Shaded triangle, Number "5" in the bottom triangle, and the word "KIND" in large letters with  behind it.
- Bottom-most-left square: The word "BE" in large letters and the SPCA logo.
- Bottom-most-middle square: Number "6" in the bottom triangle.
- Bottom-most-right square: Number "4" in the right triangle.

A pair of scissors icon is located at the bottom right corner of the grid.

Instructions:

1. Fill in your own kind acts into the triangles (for a total of 8 acts of kindness)
2. Use your **Kindness Challenger** to determine your daily kind act. Share it with your fellow students.
